## ABOUT ME

I am disciplined and skilled across several areas, comfortable working both independently and in a team, and ready to take on new challenges. I learn carefully and precisely at first, so that I can then work quickly and efficiently. Also I love implementing systems and automating processes that help me to save time or improve quality.

## HOBBIES AND INTERESTS

### Entrepreneurship

Launched several self-directed online ventures: two dropshipping stores (US market) and a honey brand in Latvia. Ran Facebook and TikTok ad campaigns (~€900 across 6 campaigns) and built a YouTube channel for the store that reached 2.3M+ total views, including one video at 2M. Generated sales but did not reach profitability — identified ad-creative quality as the main bottleneck.

Played volleyball at Riga Volleyball School and trained judo at "LIDO" (Judo Club), roughly 5 years each.
